**What is Verse-a-Thon?** Verse-a-Thon is similar to a Walk-a-Thon. Kids get sponsors for how many Bible verses they can say on a given night or specific time frame.

**Who Can Participate? EVERYONE!!!**

- ❖ **Awana kids** set a goal for the number of verses they want to say
- ❖ **Leaders** encourage and motivate the kids each week and can even say verses themselves
- ❖ **Parents** help their kids understand the impact they will make through the missions project. **Parents** can also say verses.
- ❖ Individuals in the **congregation** can **sponsor kids** or **volunteer to listen and recite** during the Verse-a-Thon event

**What verses can my child say?** Verses come from your clubbers' current book or other verses they have memorized. Help your clubber decide how many verses they want to recite from memory using the tracking sheet (handed out March 7). Your child uses this sheet as a study sheet so the verses are ready to say on Verse-a-Thon night. Visit our website, [www.visitacf.com](http://www.visitacf.com) and follow the link for more information.

**Why should my family participate?** Whether you or your child knows 1, 5, 10, 50, or 100 verses; we want **all families to participate**. At ACF Awana we partner with families to train their children to know, love and serve Jesus Christ.

"By asking for outside sponsors, kids were able to tell their friends and family about Awana."

"Kids working this hard to memorize a LOT of verses means that the Word is going D-E-E-P in their hearts."

"Children and leaders are brought to a deeper understand and appreciation of missions."
